Dear Harold
I have enjoyed
the last couple of years
since I began running
around with you more
than any others I can remember.
You're one of the nicest boys
I have ever met. With your
personality and ways I know
you will have what you deserve
and that's the best. Lots of
luck to you in the future.

Dedication

W. R. GORMAN

We the annual staff of 1959, speaking for the student body, dedicate this 1959 GLADIATOR to you, Mr. W. R. Gorman. You are a person who has made Italy High more enjoyable, and without whom it wouldn't be the same. You are a person who is everyone's friend, and you have contributed much to the school activities and agriculture department. The students of Italy High hope to enjoy your presence here for many years to come.

Foreword

The Italy High School Annual Staff proudly presents to you your yearbook "THE GLADIATOR".

We hope that when you look at this book you will have as much enjoyment in doing so as we had in putting it together.

We have tried to show you what happens everyday in both Grade School and High School. May you keep this book among your treasured possessions for years to come.
